

# LEAP CASTLE

**MOST HAUNTED CASTLE IN IRELAND:** Leap Castle is reputed to be the most haunted castle in Ireland. Since 1991, this eerie castle, located in County Offaly, has been owned and lived in by Sean and Anne Ryan, pictured above. The Ryans are undertaking restoration work, which is ongoing. Sean is a renowned tin whistle player. The castle has been described as “looming out of the rolling countryside, a crooked finger gesticulating at a leaden sky, windows like the dark eyes of a fractured soul.” Spiral Journeys will take you there if you dare!

“Bloody Chapel,” at the top of the spiral staircase!
